Azure Certification Paths 2021

Download now at nhireland.ie

The diagram shows the Azure certification path. It is divided into three columns: Foundation - Optional, Associate Level Certifications, and Expert Level Certifications. In the Foundation column, there are three optional certifications: Microsoft Certified: Azure Fundamentals (AZ-900), Microsoft Certified: Azure Data Fundamentals (DP-900), and Microsoft Certified: Azure AI Fundamentals (AI-900). In the Associate Level column, there are two certifications: Microsoft Certified: Azure Administrator Associate (AZ-104) and Microsoft Certified: Azure Developer Associate (AZ-204). In the Expert Level column, there is one certification: Microsoft Certified: Azure Solutions Architect Expert (AZ-303, AZ-304). A prerequisite box indicates that while it is advised to first attain the Fundamentals certification, it is not a requirement. Another prerequisite box indicates that one of the following is required: Microsoft Certified: Azure Administrator Associate.

Dynamics 365 Certification Paths 2021

Download now at nhireland.ie
