

Microsoft Office Specialist (MOS) certification is the leading IT certification in the world. Demonstrate you have the knowledge, skills, and abilities to productively use Microsoft Office. MOS enables you to tap the full features and functionality of the Microsoft Office system, resulting in heightened levels of individual performance, confidence, and differentiation.

With three certification levels, the MOS credential allows individuals to validate their skills.

1. Microsoft Office Specialist (MOS) – First Certification
2. Microsoft Office Specialist Expert – Middle level Certification
